

# THE COMPLETE SCORING PACKAGE

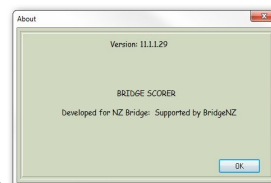

## Dealing -->> Electronic Scoring -->> Scorer 11 -->> Results on the WEB

BridgeNZ is proud to offer this complete package to Bridge Clubs. BridgeNZ can provide all the resources as listed below and is available for further details if required

(email: [martino@bridgenz.co.nz](mailto:martino@bridgenz.co.nz), cellphone: 027 4044648).

Take time to look at the Web Result Hosting on our website <http://www.bridgenz.co.nz/> Details of how to access this are listed below under Web Result Hosting. We believe that this is arguably the best web presentation of results presently available. The feedback from clubs already using this facility is very positive – words like magic, wonderful, awesome, etc give an indication of the value of this option.

### SCORER 11

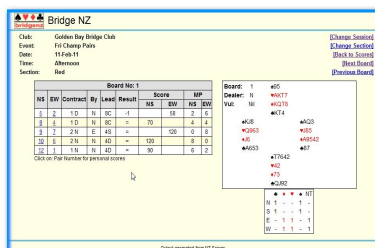

Scorer 11 is now ready for release. For those clubs who already subscribe or those who wish to purchase Scorer and have not paid at this time, please email [martino@bridgenz.co.nz](mailto:martino@bridgenz.co.nz) to arrange a licence. The subscription to 31.12.11 is \$200 for existing subscribers. For new subscribers there is an additional cost of a one-off licence key fee of \$100.

Scorer 11 has added features:

- Ability to modify sessions in the calendar and ability to sort and filter calendar
- Ability to change event type, eg from non handicap to handicap event
- Ability to create a custom teams movement with even or odd numbers of tables for Round Robin Teams
- Improved Swiss draw for Swiss Teams and Swiss Pairs
- Ability to put player names in by round for teams.
- Separate carry-over to adjustments
- NZ Bridge membership information updated from Web download
- Additional club administration reports available
- Reports available for club members showing rating points, master points and official gradings
- Tournament entries have reports to sort entries by average rating points to assist with seeding
- Additional custom movements provided
- XML file produced from Pairs Sessions
- Option to directly ftp the XML file to a website (see Web Result Hosting option below)

### WEB RESULT HOSTING

This is a new feature released this year and adds the final touches to the Scoring Package previously available. (Scorer 11 required)

To look at results for clubs using this service go to CLUB RESULTS at <http://bridgenz.co.nz/index.php> (The results vary from club to club according to the resources which they use, eg Dealing Machine, BridgePads)

Golden Bay has both of these resources and have complete details.

Click Golden Bay - displays events

Click an event - displays session result

Click on any pair - displays all results for that pair

Click on any board no - displays the hand record, deep finesse and all results for that board

The costs for this service are:

\$120 pa - for clubs running up to 2 sessions per week

\$180 pa - for clubs running 3 to 5 sessions per week

\$240 pa - for clubs running 6+ session per week

There is no set up fee

Please contact BridgeNZ for further details if required or to purchase.

## BRIDGEPAD TABLE SCORING TECHNOLOGY

BridgePad has been designed for club use.

In conjunction with NZ Bridge Scorer, Bridgepads can be easily implemented into your club.

**\$250 each table unit or receiver (one required)**

**Quotes provided for funding purposes**

See our website <http://www.bridgenz.co.nz/> for details of users of BridgePads and for pricing.

## DEALER 4

The latest model of Dealer 4 has the additional feature of reading the coding on the front of the board to ensure that the correct board is inserted for dealing. It is faster than earlier models and does not require bar coded cards as it reads the symbol on the card, eg 9 Spades. Contact us for more information – buy now- trade in is available for existing dealing machines.
